Attn: Chris Patterson

In answer to your Freedom of Information request we wish to inform you that we are a very, very small library. By small, I mean the building is just one room and we are open only two afternoons a week.

We do not have a computer or a scanner. We do not have a research section. We carry only fiction, non-fiction and have a very small children's section.

Therefore, we will not be responding to your request.

Sincerely yours,

Martha P Smith
Treasurer
